CHAIRMAN OF THE JOINT CHIEFS OF STAFF
WASHINGTON

28 September 1977

Admiral Stansfield Turner, USN
Director of Central Intelligence
Central Intelligence Agency
Washington, D.C. 20505

Dear Stan

The GAMMA 77 Politico-Military Simulation will be held at the Pentagon from 7 through 11 November 1977. The exercise will bring together a cross section of civilian and military leaders to address a broad range of U.S. national security issues.

The success of such a simulation is largely determined by the knowledge and perceptions of the participants. With this in mind, I plan to invite senior members of Executive Branch agencies, including Mr. Cord Meyer and [redacted] from your staff. I would appreciate your making them available to participate if their schedules permit. Assuming your concurrence, I am sending each of them a personal letter of invitation.

Sincerely

GEORGE S. BROWN
General, USAF
